AerData's Irish office moves to new location

Amsterdam, The Netherlands; 21st February 2014 – AerData, the provider of software and services for the aviation industry announces it has moved its Irish-based office to a new location in Dun Laoghaire, South County Dublin.

Commenting on the announcement, Godfrey Ryan, Director Marketing and Sales, AerData said; "*We established AerData's presence in Ireland in 2011 and have grown the office to such an extent that a new location was needed to house the expanding team and provide a convenient location to host customers from Ireland and abroad*."

Ryan continued; "*The high specification office is adjacent to Dun Laoghaire railway (DART) station which provides convenient connections to the city centre, just a 20 minute journey, and transport links nationwide make easily accessible from anywhere in the Emerald Isle*."

The new address is:

AerData Ireland
5th Floor, Block 2 Harbour Square
Crofton Road
Dun Laoghaire
Co.Dublin
