

PRESS RELEASE **FOR IMMEDIATE RELEASE**

Minsheng Financial Leasing Co. choose AerData's CMS lease management software

Amsterdam, The Netherlands; 4th April 2014 – AerData, the provider of software and services for the aviation industry announces that Minsheng Financial Leasing Co., Ltd (MSFL) the Chinese-based financial leasing company has chosen AerData's CMS software.

CMS (Corporate Management System) is the leading lease and asset management solution used by the majority of the world's aircraft, helicopter and engine leasing organizations.

Commenting on the announcement, Paul van Tol, Managing Director of AerData said; "We are delighted to announce another new customer for CMS, this time from the rapidly expanding Chinese leasing industry. MSFL are already a well-established and recognized name in the Asian market and CMS will assist them expand their activities using an industry standard lease and asset management platform."

Zhang Bo, Vice President and Director of Aircraft Leasing Division, MSFL said; "We wanted a straightforward and reliable solution to manage our aircraft leases." Zhang continued; "AerData was a name recommended to us as the market leader in this area so it was a natural decision to assess the capabilities of CMS, AerData's IT infrastructure and support. We look forward to growing our portfolio utilizing this solution."

About AerData

With a strong customer focus AerData delivers a reliable and secure service to its clients using latest technologies and state of the art infrastructure.

About Minsheng Financial Leasing

Founded in April of 2008, Minsheng Financial Leasing Co., Ltd. (MSFL) was one of the first five Chinese financial leasing companies with a banking background to be approved by the China Banking Regulatory Commission (CBRC). MSFL was co-founded by China Minsheng Banking Corporation Ltd. (CMB) and Tianjin Port Free Trade Zone Investment Co, Ltd.

Currently the company holds more than 150 corporate aircraft, including the world famous Gulfstream (from the United States) and Dassault from France, over 130 ships and has more than 4.6 million tonnage in bulk carrier capacity, thus becoming the biggest corporate aircraft leasing company in Asia and the biggest ship leasing company in China.
